Michael J. Goldberg's clients look to him for advice on difficult and complex restructuring issues, where he is known for his creative approaches to the solution of financial problems. Mike specializes in the areas of business bankruptcy, financial restructuring, business transactions, as well as commercial real estate transactions. In his over 25 years of practice, Mike has represented a broad spectrum of clients in insolvency matters, including debtors, creditors' committees, trustees, assignees, landlords, secured and unsecured creditors, and investors. His clients cut across a wide range of industry types, including high-tech and biomedical device companies, medical practice groups, and nonprofit institutions. He has also served as counsel to purchasers and sellers of industrial, office and multifamily real estate, with a particular expertise in real estate financing. He is also a frequent lecturer on bankruptcy topics, particularly on the impact of bankruptcy issues on real estate transactions.
